Lab 2 Portfolio Report

Course: CSE343 Web Development

Student name: Carlos Bassem Adly Tadros

Student ID: 24P0320

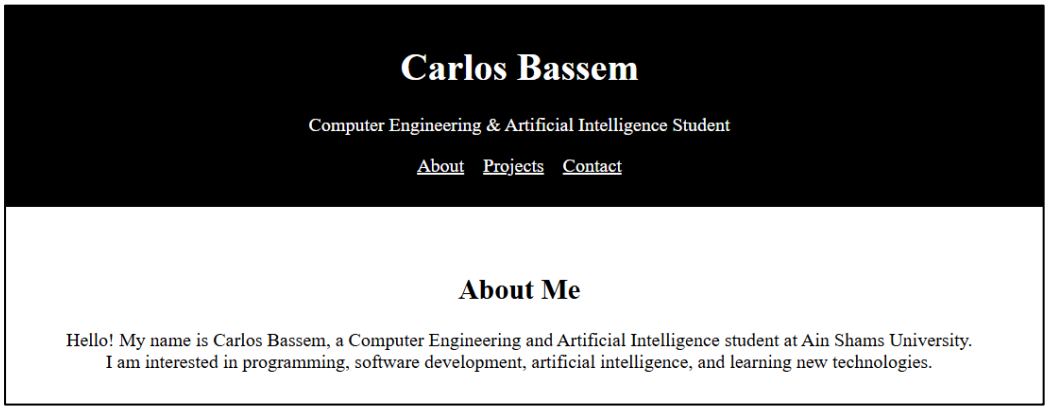

1 Portfolio Task

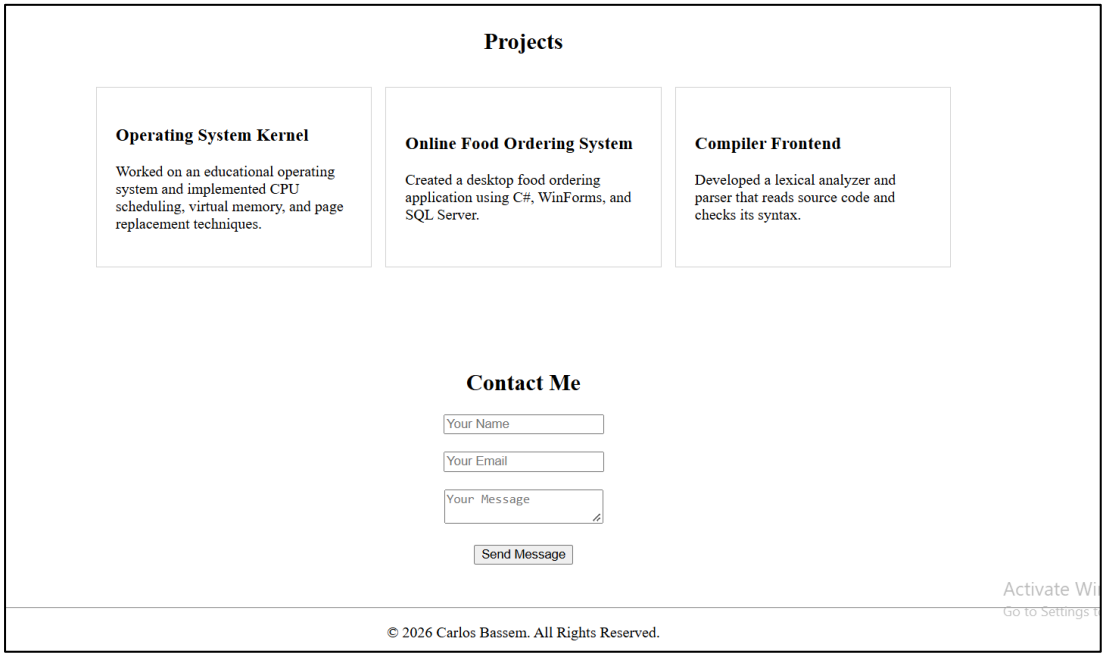

I created a personal portfolio webpage using HTML and basic inline styling. The page includes a header with navigation links, an About Me section, three projects, a contact form, and a footer.

3 Portfolio Screenshots

4 Conclusion

In this lab, I practiced using headings, paragraphs, links, tables, forms, and basic styling to create a simple personal portfolio webpage.
